

VAPOR HONE 4000

VHT

VAPOR HONING  
TECHNOLOGIES

Goodbye Dust...Hello Profit. Made in the U.S

## Vapor Hone 4000

With an optional loading system for bulky or heavy parts, VH4000 supports up to 1,000 lbs and has an optional 40" diameter 1/4" thick 304 stainless steel supported turntable. To increase productivity, dual independent workstations are provided. Each station operates separately from each other, increasing operator output.

*\*dual work stations are optional\**
